Application Acknowledgment

I hereby certify that all of the information provided by me in this application (or any accompanying documents) is correct, accurate and complete to the best of my knowledge. I understand that the falsification, misrepresentation or omission of any facts in said documents may be cause for denial of employment or immediate termination of employment regardless of the timing or circumstances of discovery.

I understand that submission of an application does not guarantee employment. I further understand that if employed, my employment with Hospice & Palliative Care, Inc. (hereinafter referred to as "HPCI") is at-will and for no specified duration and may be terminated by either HPCI or myself at any time, with or without cause or notice. I understand that none of the

documents, policies, procedures, actions or statements of HPCI representatives used during the employment process alter the at-will nature of my employment in any way or is deemed a contract of employment, real or implied.

If employment with HPCI is obtained under this application, I agree to conform to the rules, regulations, policies and procedures of HPCI, which I understand are subject to change from time to time by the Agency, at all times and understand that such compliance is a condition of employment. I understand that due to the nature of HPCI business, attendance and punctuality are considered essential requirements of every employee of HPCI and that poor attendance or tardiness will result in disciplinary action.

I understand that placement into any position offered is conditioned upon the Agency's receipt of a satisfactory background investigation, pre-employment drug screen and an ergonomic test if required for position. The investigation will include verification of employment history and education, and, where appropriate, may also include but not be limited to investigation of criminal record and driving record. I understand that any offer of employment is contingent upon my passing a drug test conducted at a site designated by HPCI, and that failure to submit to or pass the drug test will rescind the offer of employment in accordance with the Agency's Drug Free Workplace Policy. Additionally, I understand that placement will be conditioned upon satisfactory completion of an initial physical health assessment.

I hereby authorize any and all schools, former employers, references, courts and any others who have information about me to provide such information to HPCI and/or any of its representatives, and I release all parties involved from any and all liability for any and all damage that may result from providing such information.

I understand that this application is considered current for 90 days. If I wish to be considered for employment after this period I must fill out and submit a new application.

It is the policy of HPCI to hire, place, transfer and promote employees without regard to race, color, sex, national origin, religion, age, veteran status, non-job-related condition, disability, sexual orientation or any other legally protected status.
