

LPN-FT

We are looking for a Hospice homecare Licensed Practical Nurse (LPN) Monday through Friday 8:00 a.m. to 4:00 p.m. and every other weekend to provide care and support to patients and their families. You will be providing care to one patient at a time. This position primarily provides care at the Rome Home.

The Licensed Practical Nurse (LPN) will receive enhanced hourly wages, performance bonuses, paid mileage and 100 % paid single health insurance that can be applied to other plans and a robust PTO system.

We offer our Licensed Practical Nurses (LPNs) the opportunity to use their nursing skills in the patient's home. We typically care for patients in their own home or anywhere else the patient may call "home" including Hospice's Siegenthaler Center, the Abraham House and the Rome Home.

HPCI serves patients in Oneida, Herkimer and eastern Madison Counties. HPCI works to assign Licensed Practical Nurses (LPNs) close to where they live.

A compassionate nature and excellent interpersonal skills will make you a good candidate for this position. If you are a confident and compassionate LPN in caring for patients, performing tasks such as administering medication and providing emotional support this may be just the position you have been looking for.

As an LPN you will assist patients in living their lives with dignity and comfort.

Qualifications:

- License: New York State LPN License required
- Demonstrate strong assessment and counseling skills along with cultural sensitivity and a deep commitment to patient advocacy
- Must have excellent organizational, communication and computer skills

Please send resume to jmoskal@hospicecareinc.org or call 315-735-6484 and ask for Joanne Moskal.
